

Viking Outdoor VGSB Built-In Double Side-Burner

■ Polished/brushed edge canopy design along with updated cosmetic features

- Stainless steel knobs
- Refined landing ledge to match 500 Series Grills

Professional Features

■ Double side burners (VGSB5152) may be installed separately from outdoor gas grills

- Two 15,000 BTU burners
- Heavy-duty fully porcelain-coated removable "V" grates provide continuous front-to-rear surface for easy movement of large pots
- Removable stainless steel grate support with separately removable stainless steel burner bowls enhances cleanability
- Removable stainless steel cover adds protection from the elements
- Removable stainless steel drip tray with roller-bearing glides, full-length handle, solid welded/finished end caps, and removable grease pan
- Push-button electronic ignition powered by a 9-volt battery provides a positive, consistent, and continuous spark for easy lighting

Carts and Cabinetry

■ Compatible with the following cabinet: VBBO1601

Exclusive Finishes

- Available in Stainless Steel (SS)
- All parts designed for maintenance-free normal use

Model Numbers
