

1 SERIES GAS GRILL

RVBQ130

Grilling Power

- 4-12,000 BTU grill burners – total 48,000 BTUs
- Total cooking area 769 sq. in.
- 589 sq. in. of primary cooking surface, and 180 sq. in. of secondary surface
- Four burners for balanced heat circulation which can reach a searing 48,000 BTUs with electronic ignition
- Stainless flavor-generator plates catch more grill drippings and also serve as burner drip guards to channel grease neatly into the drip tray
- Extra-large electroplated steel warming rack
- Sealed thermometer provides temperature reading

RVBQ130SS
1 Series Gas Grill

Easy Maintenance, Use, and Cleanup

- Porcelain-coated cast iron cooking grates prevent sticking and staining for easy flipping and cleanup
- Two side-shelf prep areas with drink storage, dry storage, and NSF-approved foldout cutting board
- Other accessories include a condiment and paper towel caddy, accessory tool hooks, and a side light
- The system that manages grease has "Tray within a Tray" design to safely and neatly capture grease and liquid runoff
- Frontside access for LP tank

Finishes

- Available in Stainless Steel (SS)

Optional Accessory

- Vinyl grill cover protects grill from outside elements (RCV130TC)
