

Even though our products ship around the world, Viking has always stayed true to its roots in Greenwood, Mississippi. The Viking range was born here, and our decision to set up shop in our hometown is a testament to the commitment we have to building Viking products in the USA.

Since 2013, Viking has been part of The Middleby Corporation – a world leader in commercial kitchen technology. With Middleby’s help, Viking has introduced over 50 new, innovative, and award winning products with significant quality improvements and advanced cooking technologies once reserved for commercial kitchens.

THE INDUSTRY’S BEST AND MOST COMPREHENSIVE WARRANTY

We confidently offer the Viking 3-Year Signature Warranty on Viking and Viking Professional products and the Viking 2-Year Outdoor Warranty on outdoor products.

NINETY-DAY NO QUIBBLE GUARANTEE

Viking will repair or replace your product – no questions asked – in the unlikely event you have a service call within the first 90 days of purchase due to a manufacturing defect.

Viking Range, LLC 111 Front Street Greenwood, Mississippi 38930 888-845-4641

PROFESSIONAL PERFORMANCE FOR YOUR HOME™

Before Viking, home chefs had no options. With Viking, there is no other option. Over the past 30 years Viking has become synonymous with the epicurean lifestyle, developing professionally styled and featured products for every major appliance category. Viking is again revolutionizing ultra-premium appliances by incorporating proven technology and innovative features once reserved for commercial kitchens into Viking Professional appliances for your home.

VIKING PROFESSIONAL 5 AND 7 SERIES

These are the icons. Viking Professional 5 Series products are the original professional products for the home that began a culinary revolution – transforming mere foodies into veritable chefs. Or step to the Viking Professional 7 Series adapted from our commercial line, which offers unrivaled power and performance for the most demanding home chef.
