

**VIKING**

*Before Viking, home chefs had no options. With Viking, there is no other option. Over the past 30 years Viking has become synonymous with the epicurean lifestyle, developing professionally styled and featured products for every major appliance category. Viking is again revolutionizing ultra-premium appliances by incorporating proven technology and innovative features once reserved for commercial kitchens into Viking appliances for your home.*

PROFESSIONAL PERFORMANCE FOR YOUR HOME™

# VIKING 5 AND 7 SERIES

*These are the icons. Viking 5 Series products are the original products for the home that began a culinary revolution – transforming mere foodies into veritable chefs. Or step up to the Viking 7 Series adapted from our commercial line, which offers unrivaled power and performance for the most demanding home chef.*

PROUDLY MADE IN  
GREENWOOD, MS **USA**

.....

Even though our products ship around the world, Viking has always stayed true to its roots in Greenwood, Mississippi. The Viking range was born here, and our decision to set up shop in our hometown is a testament to the commitment we have to building Viking products in the USA.

With Middleby's help, Viking continues to introduce new, innovative, and award winning products with significant quality improvements and advanced cooking technologies once reserved for commercial kitchens.
