OUTDOOR 5 SERIES GRILL FEATURES

NEW 24" DEPTH

Stainless Steel Burners and Flavor Generator System

- **EXCLUSIVE** 25,000 stainless steel burners provide superior corrosion resistance
- Ceramic briquettes provide even heat distribution while minimizing flare-ups and self-clean with just a flip
- 120 volt electric ignition for ease of lighting
- **EXCLUSIVE** Automatic Re-Ignition System

Bright Lights and Easy Lifting

- Viking Blue LED lights above each knob illuminates control panel
- Two halogen canopy lights illuminate the full grilling surface
- EasyLift™ Canopy Assist System makes for easy opening and closing of canopy

Heavy-Duty Stainless Steel Grill Grates

- Stainless steel is an excellent conductor of heat to cook food evenly
- Creates restaurant-style grill marks on food

Heavy-Duty Rotisserie System

- Gourmet-Glo™ 15,000 BTU one-piece infrared rotisserie burner locks in flavor and juices for perfectly roasted meat every time
- Fully enclosed 1/2" stainless steel rotisserie rod with stainless steel forks
- Heavy-duty rotisserie motor – 55 lb. capacity

TruSear™ Infrared Burner (optional)

- 25,000 BTU burner creates an intense, searing heat (1,200°+ F) (649° C), which caramelizes the outside of food items locking in natural juices and flavors
- Available on 42"W. and 54"W. VGIQ models

OUTDOOR 5 SERIES GRILL FEATURES

NEW 24" DEPTH

Easy Maintenance and Cleanup

- Full-width, pull-out drip tray
 - Individual grease management trays under each burner area
 - Stainless steel ball-bearing roller glides allow drip tray to pull out easily and remain level when fully extended
- Laser-etched graphics withstand the rigors of cleaning
- Hermetically sealed thermometer provides accurate readings

Smoker Box

- Large capacity accommodates chips or chunks of wood
- Hinged for easy access
- Allows wet or dry smoking
- Extra cooking grid included to replace smoker system

Installation

- All Viking Professional Outdoor grills can be built in or installed on an accessory Viking Stainless Steel cart for easy movement.

Warranty Highlights

- **2-year** full covers complete unit*
- **Lifetime** limited – rust through on all stainless steel components
- **5-year** limited – burner assemblies, TruSeal™ infrared burner, and infrared rotisserie burner(s)
- **90-day No Quibble** – We will repair or replace your product within the first 90 days of purchase in the unlikely event of a manufacturing defect
