THE JOY OF COOKING

WHAT'S HOT, COLD AND CHANGING THE GAME AMONG THE LATEST APPLIANCES

1. Combine fun and function with **Smeg's** colorful retro refrigerators, available in twelve shades (like the pastel blue shown here). A&D, 212-265-5378, smegusa.com.

2. Taking a cue from commercial kitchens, the **Viking** French-door double oven features handy side-swing doors for ease of operation and clean up. The 30-inch oven is the largest in the industry at 4.7 cubic feet. Through Aitoro Appliances, Norwalk, 203-847-2471, aitoro.com, 888-845-4641, vikingrange.com. 3. The French are all about style and food, and **La Cornue** blends both. Case in point: a central cooking island in a carbon enamel and stainless steel finish. Through Kitchens by Deane, Inc., New Canaan, 203-972-8836, kitchensbydeane.com, lacornueusa.com. 4. **GE's** brand new 36-inch built-in French-door refrigerator features two 18-inch doors revealing 14.49 cubic feet of food storage. The bottom drawer icemaker utilizes GE's advanced filtration system. A&D, 212-223-1699, and through Aitoro Appliances, Norwalk, 203-847-2471, aitoro.com, geappliances.com. 5. Truffle Brown is a delicious new colorway introduced by **Miele** for its Generation 6000 series. Ovens, warming drawers and built-in coffee systems integrate seamlessly with cabinetry and can be installed vertically, horizontally, as a square or in a T-shape configuration. A&D, 800-843-7231, mieleusa.com. 6. Go pro, with the 36-inch **Wolf** Professional Cooktop, featuring five dual-stacked, two-tiered burners for greater heat control. Select **Wolf's** signature red knobs or opt for black or stainless. A&D, 888-327-0053, and through Clarke, Norwalk, 203-838-9385, clarkeliving.com, subzero-wolf.com.

7. Unlike most other steam ovens, the **Gaggenau** 400 series unit is plumbed, so there is no fuss adding water and cleaning up after cooking. A&D, 888-455-8892, gaggenau.com. 8. Big things come in small packages. At only 24-inches wide and room vented, the **AGA** City 24 oven delivers radiant heat in cast iron for flavorful, moist cuisine. Available in 14 colors, shown in Rose. Through Grange Furniture (T), NYDC, 212-685-9057, agaliving.com. 9. The Freedom induction cooktop from **Thermador** senses the size, shape and position of pots and pans and delivers heat exactly where needed. The 36-inch cooktop can accommodate a 21-by-13-inch pan. Through Aitoro Appliances, Norwalk, 203-847-2471, aitoro.com, thermador.com. 10. Part of **Bosch**'s new kitchen line, the Benchmark Wall and Steam convection ovens can be installed side-by-side and combined with a warming drawer or microwave. A&D, 888-455-8892, bosch-home.com. 11. For an ultra-modern kitchen, the Onna hood from **Streamline** is fabricated from moldable Dupont Corian. 866-764-7630, streamlinehoods.com. 12. Drink a toast to the **Liebherr** undercounter wine storage unit. To produce the perfect conditions for wine storage, attention was paid to vibration, light, air quality, temperature and humidity. TipOpen technology is handle-free. Through Marsillio's TV & Appliance, Fairfield, 203-366-7541, marsillios.com, liebherr.us.com. 13. Discovery iQ 48 Dual-Fuel range from **Dacor** is the first to feature an integrated, wirelessly connected tablet. Through Connecticut Appliance, Southington, 860-621-9313, cafd.com, dacor.com. 14. Create a kitchen like no other with **Officine Gullo**, handmade in Florence, Italy. Cabinetry and appliances are concealed behind a traditional Tuscan facade. Officine Gullo, Miami, FL, 800-781-7125, officinegullosa.com.
