A photograph of a modern, two-story house at night. The house has large windows and a balcony with glass railings. In the foreground, there is a swimming pool and a fire pit. The fire pit is built into a white stone wall and contains a fire burning over several large, round stones. The scene is illuminated by warm lights from the house and the fire pit, creating a cozy atmosphere. The sky is dark blue.

A FIREPLACE FIT for a king! A masterpiece of design, the hot spot separates the pool from the deck while also doubling as a background highlight of the pool's built-in fountain.
