Vanilla cabinetry combines with granite countertops to highlight the stainless steel appliances.

The stone fireplace flanked by built-in cabinetry serves as a stunning focal point in the great room.

Graceful arches contrast with high gables for a stunning exterior on this Craftsman home. Windows with decorative transoms and several French doors flood the open floor plan with natural light.

Tray ceilings in the dining room and master bedroom, and cathedral ceilings in the bedroom/study, great room, kitchen and breakfast area create architectural interest. Built-ins in the great room and

additional room in the garage add convenient storage.

Positioned for privacy, the master suite

features access to the screened porch, dual walk-in closets and a well-appointed bath, including a private privy, garden tub, double vanity and spacious shower.

A skylit screen porch is the perfect place for outdoor entertainment and relaxation. Easily accessible from the great room, breakfast nook and the master bedroom, the porch enhances and expands the living space of the home. ■
