Being a leader requires confidence. It takes vision to anticipate what’s just beyond the horizon. It takes guts to create something in a space where nothing existed before.

Leading is exactly what Viking has been doing for almost 40 years. We originated the professional-grade range for the home kitchen. Our industry-leading innovations in appliances set the American standard for the modern luxury kitchen. From cooking and ventilation to refrigeration and cleanup—Viking delivers professional performance and stunning design. Simply stated, our products have become the standard for both elite chefs and discriminating designers alike.

Not only do great leaders know who they are, they know where they’ve come from. Viking launched an entire industry from the heart of Mississippi, in the quaint town of Greenwood. Located in the Mississippi Delta, Greenwood is home to flavors, sounds, and languages from around the world while also adhering to the importance of family, home, and excellence. These values informed every aspect of that first Viking range—and still inform everything we do today.

After leading the field for nearly four decades, we’re just getting started. We won’t quit innovating or dreaming. Our advanced performance features and bold new design concepts are unexpected for the field—but not surprising considering Viking’s place in the market. We can’t wait to show you what’s new, and what’s next.

KITCHENS BEGIN WITH VIKING
FREESTANDING RANGES

These are the icons – the style and power that introduced professional performance to the home. We’ve made quite a few upgrades over the years, but these are still the ranges people see when they dream of a professional kitchen. Available in a variety of sizes, fuels, and burner configurations to accommodate any kitchen... it’s just a question of how big you dream.

POWER BEGINS WITH VIKING
The Viking 7 Series

A signature style. It speaks to the places you’ve been and the things you love. It captures the essence of who you are and what brings you joy. Every elite detail contributes to the life you are crafting—even the appliances you select for your kitchen. The Viking 7 Series kitchen is the only choice for refined palates acquainted with worldwide taste. It’s a cut above. It’s luxurious form backed by culinary function. Put your signature style on display and in motion. The Epicurean Life begins with Viking.

7 SERIES GAS RANGES
36” AND 48” WIDTHS

The Viking 7 Series Gas Ranges feature 23,000 BTU Elevation™ Burners adapted from the Viking Commercial product line, combined with a fully-featured convection oven that includes a Gourmet-Glo™ Gas Infrared burner to create a restaurant-caliber range unlike any other on the residential market. VGR 36”W.models fit a full commercial-size sheet pan.

7 SERIES DUAL FUEL SELF-CLEANING RANGES
36” AND 48” WIDTHS

The Viking 7 Series Dual Fuel Ranges combine the commercial power surface burners with high performance features of the Viking electric self-clean oven for one truly superior range. Preheat optional – there is no need to preheat oven when baking certain foods in Convection Bake mode. Additional 7 Series Range features include a Gentle Close™ Door and the LED control panel lighting.

Raising the Bar and the Burner

EXCLUSIVE! Viking Elevation™ Burners with brass flame ports boast 23,000 BTUs across the front of all 7 Series Range configurations for a boil up to 25% faster. Multiple 15,000 BTU burners and one 8,000 BTU burner across the rear efficiently deliver heat to any size cookware. Exclusive Vari-Simmer™ Setting on all burners provides gentle, even simmering at precisely low cooking temperatures. Each burner is elevated 2½” above the burner pan to prevent baked-on spills for easy cleaning.

Reversible Grill/Griddle

The reversible non-stick cast-iron grill/griddle is perfect for healthy cooking without oil while providing versatility for grilling, griddling, and defrosting. The patented grease containment system strategically directs excess grease into a removable capture trough while the patented StayCool™ Trough Handle resists heat from the griddle and is easily removed for cleaning.

The Viking 5 Series

Every chef knows that creating great food is a feat of magic. It’s an act powerful enough to fuel our bodies and satisfy our souls. But you don’t have to be professional to wield this magic. When you’re serious about food, you need seriously powerful appliances. The Viking 5 Series kitchen offers a full suite of professional-grade appliances to transform your cooking experience and elevate every dish you create. You’ll do more than bring great recipes to life. You’ll create culinary synergy that everyone will enjoy. The Professional Home begins with Viking.

5 SERIES GAS RANGES
30”, 36”, 48”, AND 60” WIDTHS

The 5 Series Gas Ranges fine-tune professional performance from the ground up. The VSH (VariSimmer™-to-High) Pro Sealed Burner System delivers precision control up to 18,500 BTUs. Inside the oven, the combination of a 30,000 BTU U-shaped Bake Burner and 1,500°F Gourmet-Glo™ Gas Infrared Broiler provides unrivaled power, and the convection system cooks gently with ProFlow™ convection heat.

5 SERIES GAS OPEN BURNER RANGE
30” AND 36” WIDTHS

This is the range that sparked the culinary revolution. The Viking open burner range utilizes a restaurant caliber burner along with the combination of a 30,000 BTU U-shaped Bake Burner and 1,500°F Gourmet-Glo™ Gas Infrared Broiler providing unrivaled power. And the convection system cooks gently with ProFlow™ convection heat.

5 SERIES ELECTRIC SELF-CLEANING RANGE
30” WIDTH

Viking offers the only Professional all-electric, commercial-type range for the home. This 5 Series Range fits into a standard 30” wide, 24” deep cutout and boasts the largest oven capacity available. Professional features include QuickCook™ Surface Elements for fast heatup, Vari-Speed Dual Flow Convection Cooking, Rapid Ready Preheat System, and an electric self-cleaning oven.

5 SERIES INDUCTION SELF-CLEANING RANGE
30” WIDTH

MagneQuick™ Induction Elements generate a magnetic field to transform your cookware into its own powerful heat source. The heat transfer is nearly instantaneous, incredibly precise, and over 90% efficient. Underneath, you get the largest electric convection oven on the market, and it’s filled with ultra-premium features like the Vari-Speed Dual Flow Convection Cooking and Rapid Ready Preheat System.

5 SERIES DUAL FUEL SELF-CLEANING RANGES
30”, 36”, 48”, AND 60” WIDTHS

The Viking 5 Series Dual Fuel Ranges combine the power of the VSH (VariSimmer-to-High) Pro Sealed Burner System with the convenience of an electric self-cleaning oven. Select models offer an 18,500 BTU front burner for the ultimate surface cooking power. In addition to the largest oven capacity on the market and up to ten cooking modes, the oven offers patented Vari-Speed Dual Flow™ Convection Cooking (which rotates the convection fan in both directions), and Rapid Ready™ Preheat System.

5 SERIES GAS RANGES
30”, 36”, 48”, AND 60” WIDTHS

The 5 Series Gas Ranges fine-tune professional performance from the ground up. The VSH (VariSimmer™-to-High) Pro Sealed Burner System delivers precision control up to 18,500 BTUs. Inside the oven, the combination of a 30,000 BTU U-shaped Bake Burner and 1,500°F Gourmet-Glo™ Gas Infrared Broiler provides unrivaled power, and the convection system cooks gently with ProFlow™ convection heat.

**ELECTRIC COOKTOPS**

30" AND 36" WIDTHS

Viking Electric Cooktops provide commercial power and professional performance exactly where you need it. With QuickCook™ surface elements that reach full power in three seconds, a triple element to accommodate a variety of cookware sizes, and a bridge element to create one continuous cooking surface – this electric cooktop delivers the ultimate in performance.

**ALL INDUCTION COOKTOPS**

30" AND 36" WIDTHS

With induction cooking, a magnetic field instantly transforms your cookware into the heat source – and an extremely efficient one, at that. Commercial-grade technology ensures professional power, reliability, and precision control. Viking Induction Cooktops are also compatible with most high-end stainless steel, enamel, and cast-iron cookware.
BUILT-IN OVENS

Transform your kitchen into a chef’s playground. Electric ovens, warming drawers, steam ovens, and microwaves – these built-in products offer ultra-premium features and liberating convenience.

Single and double built-in ovens deliver perfectly even heat distribution, without the need to preheat, inside the largest oven capacity available. Warming drawers ensure every bite of your nine-course dinner makes it to the table fresh and hot. You can even quickly bake a cake in the microwave. After one dinner party, you’ll wonder how you ever cooked without them.

STRENGTH BEGINS WITH VIKING
BUILT-IN OVENS

7 SERIES FRENCH-DOOR ELECTRIC OVENS
30" WIDTH

The Viking French-Door Oven introduces total convenience with the same superior power and performance as other Viking ovens. Side swing doors turn this traditional oven into a modern amenity, putting accessibility to your dish within arm’s reach. No preheat option and Easy Clean 20 minute steam function make this the perfect oven for the home chef.

Single and double ovens available.

5 SERIES SELECT AND PREMIERE ELECTRIC OVENS*
27" AND 30" WIDTHS

Viking Electric Ovens deliver full throttle commercial cooking power and the most spacious oven cavity in the industry. Features on Select models include a concealed bake element and TruConvec™ Convection Cooking. Premiere models offer convection in both ovens. TruGlide™ Full-Extension Oven Racks are standard on both models.

Single and double ovens available.

* 30” models may also be installed flush to the cabinet with a Flush Mount Installation Kit accessory.

Open and clean with ease.

Open either french-door with just one hand and the companion door conveniently opens simultaneously, while our EXCLUSIVE! CoolLit™ LED Lights in signature Viking Blue illuminate heavy-duty metal knobs for easy operation. Keep the oven looking great with a 20 minute easy clean. No need to preheat oven when baking certain foods in Convection Bake mode.
**MICROWAVE* 27” AND 30” TRIM KIT WIDTHS**

Yes, even a microwave can offer professional performance. Complement any kitchen with this extra-large 2.0 cubic foot microwave. With 13 sensor settings, preset recipes, and warm/hold feature, this microwave has it all, and then some.

**CONVECTION MICROWAVE* 27” AND 30” TRIM KIT WIDTHS**

In addition to a true stainless steel finish, extra-large capacity, and an array of powerful settings, the microwave offers exceptional features like warm/hold, real convection cooking to brown and crisp evenly, and preheating.

**CONVECTION MICROWAVE HOOD 30” WIDTH**

The Convection Microwave Hood delivers all the performance and features of the convection microwave with the addition of an integrated exhaust system. Install it above your range or cooktop for a convenient ventilation solution.

**DRAWER MICRO™ OVEN* 24” WIDTH**

The Undercounter DrawerMicro oven tucks away undercounter, in an island, or beneath your wall oven. Automatic drawer-style access maximizes capacity and convenience. And 12 sensor cooking options make cooking anything a breeze.

**CONVECTION DRAWER MICRO™ OVEN 24” WIDTH**

Bring a meal to the table faster than ever with the Viking Convection Microwave Drawer. This innovative appliance combines the speed of sensor microwave cooking with the efficiency and precision of convection cooking all in a convenient undercounter space. The dual convection fans and powerful heating elements provide baking, roasting, grilling, and air frying with 11 variable power levels. Install it below an island, in a peninsula, or in standard cabinetry adjacent to a built-in oven.

**COMBI STEAM/CONVECT™ OVEN 30” WIDTH**

This little dynamo combines two cooking methods in one handy package: steam and convection baking. Steam cooking is the healthiest and easiest way to cook fresh vegetables, and when combined with convection, it works wonders for breads and pastries – light and fluffy with crisp crusts. Steam also keeps meats and fish moist, cooking them to tender perfection.

**DROP DOWN DOOR CONVECTION/ SPEED MICROWAVE OVEN 30” WIDTH**

Viking now offers the perfect all-in-one oven. From microwaving to convection baking to speed roasting, this oven does it all. Excellent cooking performance along with a drop down door design makes this the best Convection Microwave Speed oven on the market.

**ELECTRIC WARMING DRAWERS 27” AND 30” WIDTHS**

This new and improved Warming Drawer has great features including capacitive touch controls with a digital readout, versatile moisture control, built in meat probe and temperature settings from 90 to 250ºF making sure you can keep a plate warm, proof bread, or serve piping-hot soup. Warming drawer can be installed flush to cabinet or standard mount.

*30” Microwave models and 24” Drawer Micro Oven may be installed flush to the cabinet with a Flush Mount Installation Kit accessory.
VENTILATION

With a virtually seamless design, Viking ventilation hoods are engineered to look beautiful, work silently, and provide the most powerful odor, steam, and smoke extraction on the market. A number of installation options are available, offering different widths, motor type, and styles for every type of use. If these hood styles didn’t look so incredible, you’d never even notice they were there.

EFFICIENCY BEGINS WITH VIKING
WALL HOODS
30", 36", 42", 48", AND 60" WIDTHS
Viking ventilation systems are an essential element of the commercial-style kitchen. Range hoods of all sizes clear the air while brightening your cooking area with adjustable led lighting. And recirculating hood kits allow for an easy professional upgrade to your existing recirculating system.

Installation Accessories

**STAINLESS STEEL HIGH-SHELF**
Add sophisticated storage space to your kitchen with this versatile stainless steel Viking high-shelf. Providing a place for well-used cooking tools and spices, the high-shelf is also the perfect place to warm food and plates under the heat lamps on select Viking hoods.

The 24" high-shelf installs on our 30", 36", 48" and 60" range and range top models.

**STAINLESS STEEL BACKGUARD**
Add a professional look to your kitchen with a stainless steel Viking backguard. This useful accessory doubles as a heat barrier between the range and any decorative finish on the wall behind the range.

The backguard is available in heights of 6" for the 3 Series ranges, 8" for the 5 Series ranges and 10" for the 7 Series ranges.
OUTDOOR PRODUCTS

The Viking outdoor products offer everything you’d expect to find in a kitchen – except the walls. Of course, our heavy-duty gas grills are the pinnacle of barbecue, but you might be surprised to find products like warming drawers, undercounter refrigerators, and even vent hoods in the backyard. Mother Nature likes to entertain too.

ENTERTAINING BEGINS WITH VIKING

Viking is more than just superior luxury appliances. The Viking culinary experience includes a world class restaurant, a highly-rated hotel and spa and an elite cooking school all in Greenwood, Mississippi where you are welcome to live out your passion for cooking, dining and being pampered. You can also visit our gorgeous showrooms in New York City, Chicago, Los Angeles, and Dallas where you can see and touch Viking products, attend cooking demonstrations and meet celebrity chefs.
The Viking Culinary Experience

It begins with a history and culture as rich and complex as the fertile alluvial soil of the Mississippi Delta. It inspired a culinary tradition that rose from humble roots to seduce the most discerning palates while simultaneously comforting the soul. It lives, breathes and redefines authentic Southern hospitality. It's Greenwood, Mississippi, the home of Viking Range. If you love to cook, entertain, or just appreciate the pleasure of great food, Greenwood is the place to indulge those passions. Our school, hotel, spa and fine dining all beckon you with a unique blend of sophistication and warmth, nestled comfortably in the heart of the Mississippi Delta. We look forward to welcoming you.

The Alluvian Hotel & Spa

The Alluvian Hotel & Spa offers a vast array of guest services and amenities, providing our guests with the finest in luxury experiences. Pampering begins with irresistible amenities including nightly turndown service, oversized marble bathrooms, plush bed and bath linens, a 7,000-square-foot luxury spa, and an award winning art collection by Mississippi artists.

Viking Cooking School

The Viking Cooking School may be the most enjoyable school on earth - even the homework is fun. From the novice to the experienced cook, over 77,000 students including kids, moms and dads, business professionals, and others come alone, or together with friends, to attend our classes each year. If you love to cook, entertain, or just appreciate the pleasure of great food, the Viking Cooking School is the place to indulge your passions.

Giardina's Restaurant

Considerable effort was made to retain the character and charm of the original Giardina’s, but the white tablecloths, fine crystal and premium Viking cutlery add the feeling of elegance one would expect from a fine dining restaurant in a large metropolitan area. Featuring steaks, seafood and Italian cuisine, Giardina’s atmosphere is old world elegant but dress is laid-back “Delta casual.”
The Middleby Residential Showcase Galleries

Experience true Viking kitchen couture elegance and luxury for yourself by visiting one of our three flagship Middleby Residential Showcase Galleries, located in the New York Design Center, and The Merchandise Mart, Chicago, and Los Angeles.

Each Middleby Residential brand vignette is designed to delight the senses. Our scheduled live cooking demonstrations, led by nationally renowned celebrity chefs, will showcase both the versatility and unique features exclusive to our family of luxury brands.
