

CLEAN WITH ENDLESS OPTIONS

MULTI-LEVEL VARIABLE PRESSURE WASHING AND DRYING

- **Variable pressure wash** adjusts water volume, pressure and temperature settings according to load size and soil levels
- **Three multi-level wash arms** ensure virtually spotless dishes
- **Turbidity sensor** monitors the soil level of dishes for superior cleaning
- **Triple filtration system** removes even the smallest particles for clean water circulation
- **Flow-through water heater** is concealed to provide a safer alternative to exposed heaters
- **Unique Turbo Fan Dry** circulates air for efficient drying performance
- *Available in a water softener model (FDW300WS)*

QUIET, POWERFUL PERFORMANCE

- Three layers of bitumen and cotton along with metal side walls create one of the quietest dishwashers on the market – **48 dB**

LOAD-AS-YOU-LIKE WITH 3 RACKS

- **Industry-leading** heavy gauge top and bottom dish baskets hold even the heaviest dishes
- Upper **Smart Size™ Rack** is designed to allow cleaning of cutlery while washing tall items simultaneously in upper rack
- Holds up to **14 International place settings** along with silverware and cutlery
- **Top rack is adjustable** with or without dishes for versatile loading
- **Adjustable stemware shelves** can be used for holding ladles or other small utensils
- **Foldable tines** provide versatility for the loading of pots, pans, and uniquely size items in top and bottom racks
- Bottom rack has **six split, foldable tines** with variable setting from flat to vertical
- **Sliding cutlery basket** can be moved horizontally to any position
